

DIGITAL OBJECTS AND THEIR PRESERVATION IN ACADEMIC WORLD

23. Tagung des Arbeitskreises
Archivierung von Unterlagen aus digitalen Systemen – Camp II
12. 3. 2019, 16:30 – 17:30

- *1) Digital Documents at the Charles University* – Eliška PAVLÁSKOVÁ (Karls-Universität in Prag)
- *2) Archiving of Digital Content at the Library of the Czech Academy of Sciences* – Martin LHOTÁK (Akademie der Wissenschaften der Tschechischen Republik)
- Moderation: Zdeněk VAŠEK (Karls-Universität in Prag)

ACADEMIC WORLD AND DIGITAL OBJECTS – CHALLENGES AND OBSTACLES

- Different types of objects
- Different sources of objects
- Specific Criteria necessary for their care -
understanding content
- Fragmented responsibility

CHALLENGES AND QUESTIONS

- Is the management of digital objects in academic institutions specific? How are digital objects used?
- What are the current strategies and tools?
- What are general data management tools lacking?
- What types of data are specific in the academic world?
